

GENERAL ELECTION – November 3, 2026 9/30/2026 revised

PURPOSE: To provide non-Partisan Pro-Life voter information. Candidates who hold a Pro-life view also tend to support the other freedoms stated within the Constitution of the United States.

AREAS INCLUDED: Voter information included herein is primarily for the communities of Hemet and San Jacinto. Information for other nearby communities is also sometimes listed but may not be a complete list of all the elected positions.

- REGISTRATION:**
- The last day to register to vote is October 19, 2026. If you miss the deadline, it is possible to go to any Polling place, or Vote Center, to register and vote a provisional ballot on the same day - all the way through Election Day.
 - Riverside Registrar of Voters is located at 2724 Gateway Drive, Riverside, CA 951-486-7200.

LOCAL BONDS AND TAX MEASURES			
Hemet Measure Q	Recommend a No Vote. The city of Hemet for the first time in awhile is facing a budget deficit due to declining tax revenue as taxpayers cut back on spending while balancing their budgets during challenging economic circumstances. As a city, Hemet has also cut their projected deficit by making hard choices regarding their spending which is great, but the answer to eliminating the budget deficit is not another tax increase.		
Hemet Unified School District Measure I	Recommend a No vote. Bonds have become the go-to solution to increase funding for school districts. However, bonds are a very expensive solution, costing nearly double to pay back often over a thirty-year period. We need to pay as we go, not pass debt on to future generations.		

CALIFORNIA PROPS 2026

Some of the Props in 2026 are new bonds. Bonds always have a compelling title, but they are a very expensive way to borrow money with the payback being nearly double the initial cost of the bond, and, often over a period of nearly thirty years. We need to pay as we go, not pass costs to future generations.

- ❖ Recommend NO on 1 / Another bond with a compelling title, but it is still a bond with an expensive price tag. More long-term debt.
- ❖ Recommend NO on 2 / Another way to switch designated funds to other areas.
- ❖ Recommend NO on 3 / This previously approved Tax the Rich Measure was supposed to be temporary. Prop 3 makes the tax hike permanent.
- ❖ Recommend NO on 4 / Allows taxpayer funds to be used for campaign financing.
- ❖ Recommend NO on 5 / Changes current election law during a recall and could allow for a candidate to be elected by a very small number of votes rather than a majority of voters.
- ❖ Recommend NO on 37 / Another bond. We need to pay as we go not borrow into the future.
- ❖ Recommend NO on 38 / Another bond. Could allow unethical embryonic stem cell research.
- ❖ **Recommend YES on 39** / Requires Voter ID to vote.
- ❖ Recommend NO on 40 / It is unethical for voters to vote a tax increase on a fellow group of taxpayers. This so-called Billionaire tax would likely eventually affect every taxpayer as the income level threshold is lowered.
- ❖ **Recommend YES on 41** / Much of our tax money is being wasted. Prop 41 is an attempt to provide accountability and oversight regarding how our tax dollars are spent.
- ❖ **Recommend YES on 42** / Prohibits new property tax. Protects retirement savings accounts and retirement saving funds from new or retroactive taxes
- ❖ **Recommend YES on 43** / Currently new tax increases must be passed by a 2/3rd voter approval but a “special tax” can be passed by only 50% plus one. Prop 43 would require a “special tax” to meet the same 2/3rd voter approval.
- ❖ Recommend NO on 44 / Sometimes new legislation is hard to predict what the outcome will be if enacted. This is one of those cases, but most trusted sources are recommending a No vote on Prop 44.
- ❖ **Recommend YES on 45** - An attempt to cut red tape and regulations on new construction and other infrastructure projects.
